About our performers

Kyle Richard—Our Keynote speaker

In 2017, the graduate & former 2x captain for SUNY Cortland Football ('20), intervened with his friends in what was potentially an act of sexual assault. When Kyle confronted the assailant in the aftermath, the assailant shot him twice, leaving him doubtful to return to the field. Fortunately, he completed a comeback & led the Red Dragons for the next 2 years.

When his story began to spread, he received messages from an array of sexual & domestic violence survivors. This sparked his desire to transition from the linebacker role, to the role of helping organizations like It's On Us & the sports world tackle issues of violence through prevention work.

2023 March Route

Please leave the Union in an orderly manner. Wait on State Street until those with the banner start walking with police escort. Each year, one block of the march is chosen to be silent, in order to remember and honor those who have died as a result of sexual violence. Just before we begin the silent block, which is part of Thompson Street, organizers will move through the crowd and ask all marchers to stop chanting and drumming. Marchers in front will hold up a special banner throughout the block. When the banner is turned around, we will resume chanting and drumming. Please stay in the lane going in the direction of traffic. Also, if you are unable to keep up with the

march, please move to the sidewalk for safety reasons
