About our performers

Jena-Lisa Jones—Our Keynote speaker

Jena-lisa Jones is a dedicated life coach at Survivors Inc., where she empowers individuals to reclaim their strength, rebuild confidence, and create meaningful lives after trauma. A passionate advocate for sexual assault survivors, Jena-lisa brings compassion, understanding, and authenticity to every person she supports. Beyond her advocacy work, Jena-lisa is a proud wife and mother who finds joy and inspiration in both her family and her creative pursuits. When she's not coaching or speaking out for survivors' rights, she can often be found with a good book in hand or crafting something beautiful. Driven by empathy and a belief in the resilience of the human spirit, Jena-lisa continues to make a profound impact in her community - helping others find hope, healing, and purpose.
